n E/L: eligible distinct works in 2010-2016 / 2017-2023. P: primary; C: continuing-institution subset. pp: percentage points.

Change = later minus earlier; direct intervals. * Percentage interval unavailable, point retained. Rounded to 0.1; full precision in tables.

Continuing institutions contribute in both periods; their work shares and coding eligibility can still change. Full support/reasons: accompanying tables.
