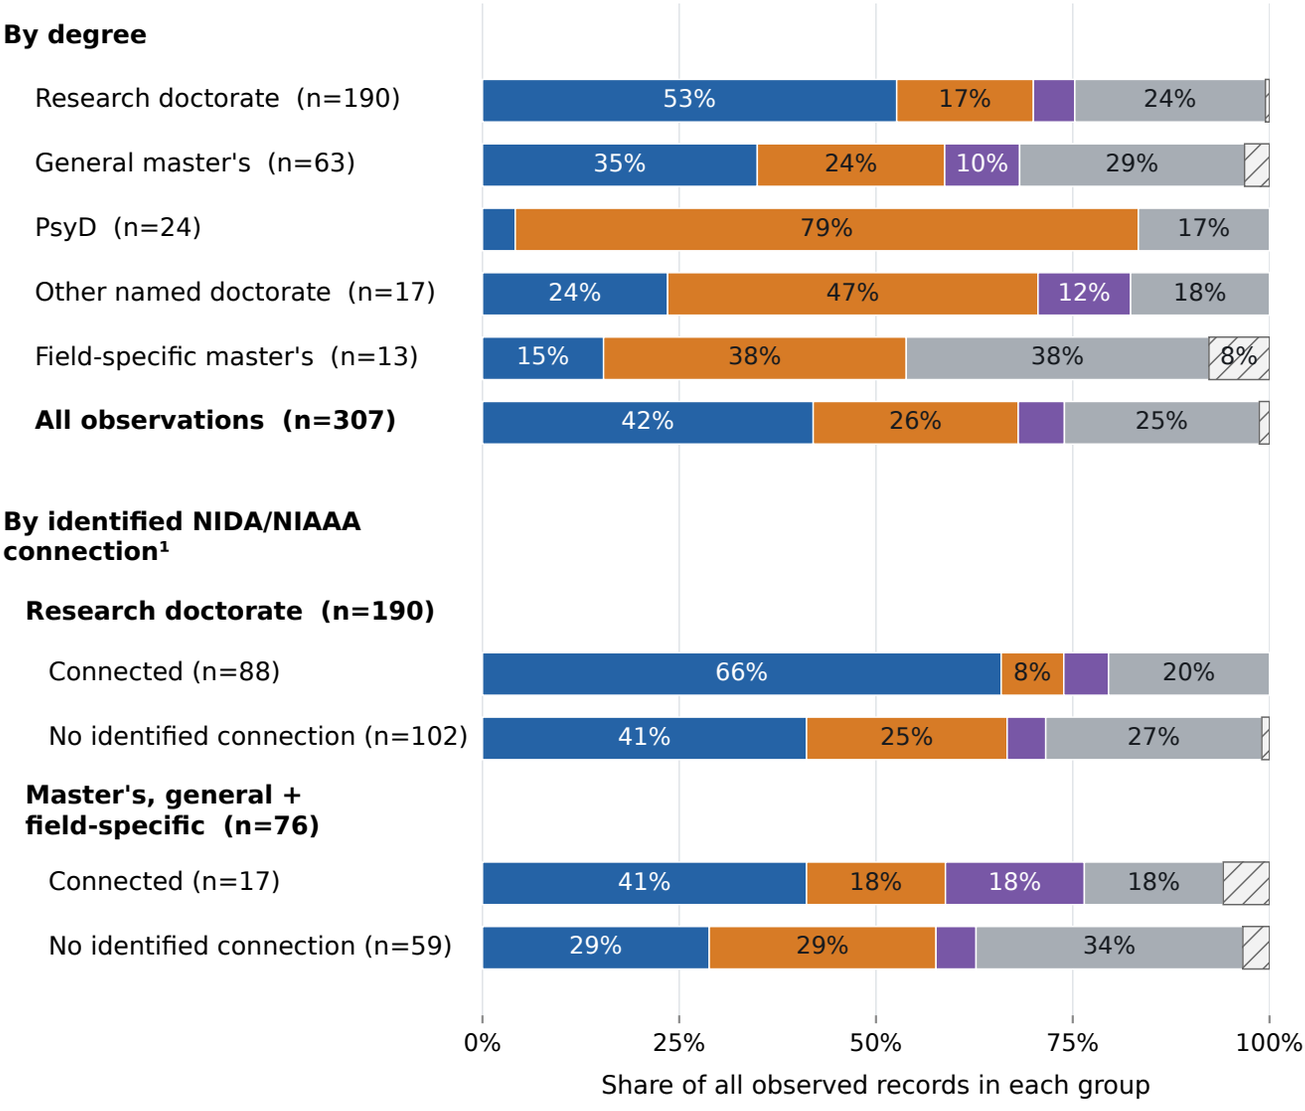
Research and clinical-care roles and employment destinations

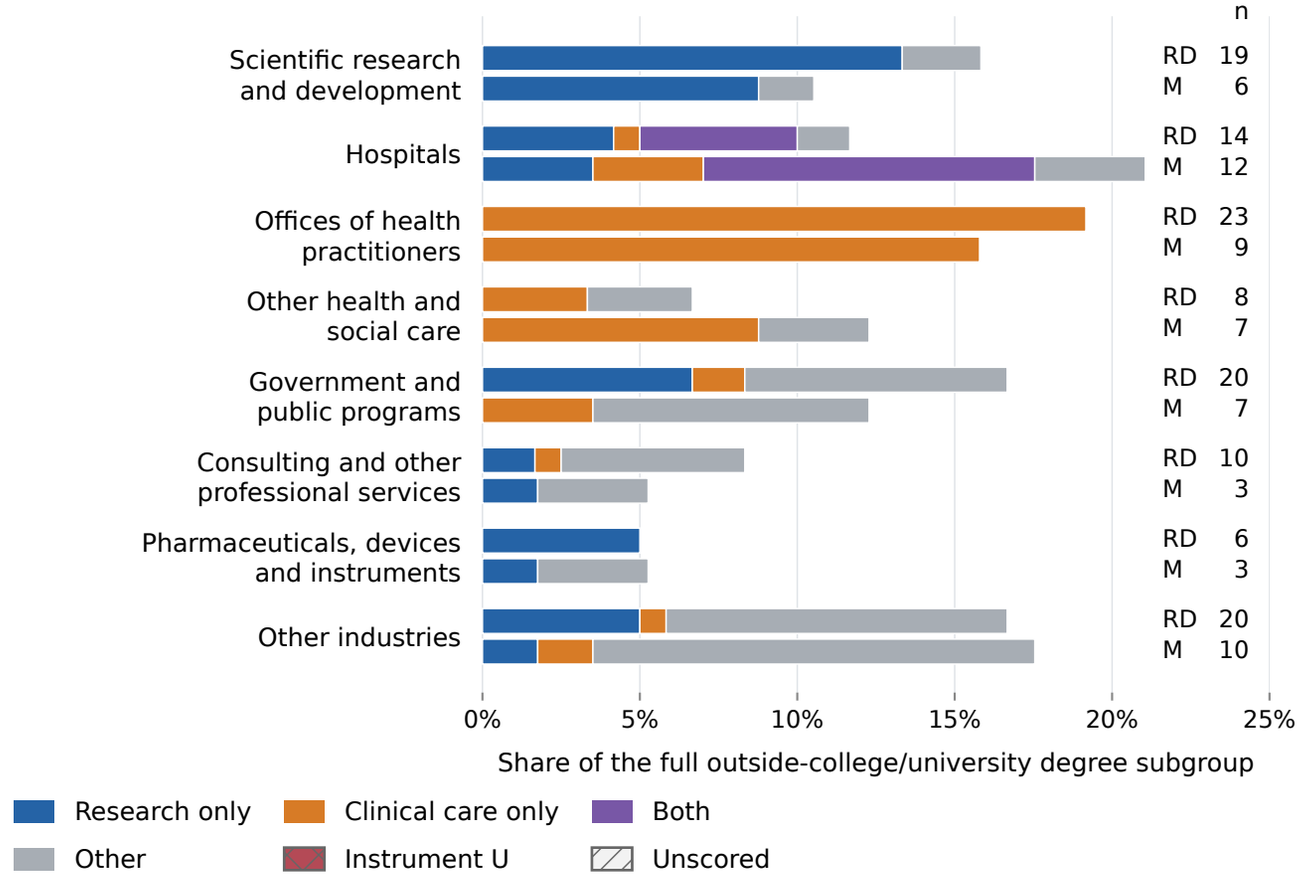
A Roles by degree and NIDA/NIAAA connection



¹ Advisor, committee member or individual award; PsyD and other named doctorates not split.
No identified connection does not establish absence of support.

B Jobs outside four-year colleges and universities

RD: Research doctorate (n=120); M: Master's (n=57). RD is the upper bar.



Other: neither role reaches the likely-role threshold. Instrument U and unscored are distinct.
Panel A: 303 of 307 records scored; U=0, unscored=4. Panel B: all 177 records scored.
